### BUTLER THEATER

The feature at the Butler this evening is the celebrated Broadway favorite, Anne Pennington, as "Susie Snowflake," a story of musical comedy life. Petite, pretty Anne Pennington, the popular musical comedy favorite, contributes a distinctly new type of characterization in the portrayal of life behind the footlights in the village. There is something irresistibly appealing about this bewitching little heroine, and as "Susie" Miss Pennington has caught all the charm and piquancy of the little dancer who scandalizes her maidenly aunt and sets her home village agog when she brings her Broadway ideas into the community. The preliminary reel will be Burton Holmes travel pictures, "In Old Ireland."

Miss Marie Neilson will appear for the last time in an entire change of songs, which will be "Lover of Mine," "Memories," and "When Twilight Fades." Watch for the big picture on Thursday, the 14th.

## JITNEY SHOW FOR SANTA CLAUS

EVERYTHING IN THE SHOW FOR SMALL SUM WITH PLENTY OF DIVERSION

The Santa Claus jitney of the Elks to be held Wednesday evening, December 13, is going to be the best bet of the season at a small individual outlay. It costs nothing to get in and the fun may be continued as long as you please or the supply of time jitneys lasts. Nothing will exceed the jitney limit. The occasion will be one filled with merriment in anticipation of the good that will be accomplished by filling numerous Xmas stockings out of the proceeds. There will be wheel of fortune prizes and the punch boards, of which a full battery has been engaged, will deliver some of the costliest prizes seen in the camp. These gifts are not of the punch board variety, but of a superior quality that have been donated by the members to help the Santa Claus movement along. A small bit of change will do a lot of good. When one grows tired of the games they can fall back on the big dancing hall, where there will be a continuous performance on the jitney order, with the best music that money can buy. Should patrons of the entertainment desire to refresh themselves with either liquids or substantial eats they will be supplied on the same jitney basis. Remember, it costs nothing to get in and join the funmakers for the Christmas stocking movement.

## CAVALRYMEN LURED OVER BORDER AND DISARMED BY MEXICANS

(By Associated Press.)  
DOUGLAS, Ariz., Dec. 5.—Six newly recruited members of L. troop, first United States cavalry, are facing court martial here on the charge of crossing the Mexican border, where, it is said, they were disarmed by Mexican customs guards.

The recruits were said to have been taking snapshots Sunday and told their officers that they crossed

the border when the guards asked them to come and take their pictures. The Mexicans are then said to have disarmed them, after which they were taken to the border and released. They were arrested on their return to camp.

Ives G. Levevier, Mexican consul here, said the weapons probably would be returned through the proper channels.

## BIG COMPANIES POPE BENEDICT SHARING PROFITS PRAYS FOR PEACE

CONDEMN AERIAL ATTACKS ON OPEN CITIES AS DEFIANCE OF ALL LAW

(By Associated Press.)  
ROME, Dec. 5.—In an allocution delivered before a secret consistory, Pope Benedict denounced the aerial bombardment of open cities and condemned all who he said had defied the laws of God and man during the present war. He prayed that a time would come when the spirit of law again would be respected and bring harmony and prosperity to all nations.

## THIEF WRITES NOTE ON A TYPEWRITER

ENTERS CABIN IN FOOTHILLS AND TAKES WHAT HE DOES NOT DESTROY

A typewriting thief committed the unpardonable sin of entering a miner's cabin and destroying what he could not take away with him. The crime was committed near Coalvale on the property of the Darms Coal Mining company some time during the absence of the owner. Not satisfied with removing all the canned milk, beans, bacon and other eatables, the thief ripped open the sack of flour and spilled the contents over the floor. Then he sat down at a typewriter and tossed off a note, beginning: "Don't get peeved, Mr. Darms. I was hungry and got even." According to the law of the prospector, that is all right whenever a man is hungry, for he is entitled to take what his absent neighbor may have after leaving a note. In this case it was not hunger that prompted the thief to take five blankets, a watch and chain and a wagon load of supplies. The intruder affixed a name to the note, which he repented writing and tore up, leaving the scraps on the floor where they were found and pieced together.

## NOTICE TO THE PUBLIC

Sixteen members of the grand jury have been constituted a sanitary committee for the purpose of inspecting the city and enforcing sanitary laws wherever any infraction is found. These jurors have subdivided the city so that every householder and every business man will be seen and the premises examined to compel the removal of garbage, waste material and to provide for the proper disinfecting of outhouses to remove elements of contagion from our midst. All offenders who do not clean up their premises by December 20th will be visited by these committees and, if the offense continues, the parties responsible will be summoned to appear to testify why they should not be indicted for maintaining a public nuisance.
